(Not for Use for Employment Purposes)

Purpose of Form

This form has been developed for use by Nevada health plans and health insurers, and may be used by hospitals and other healthcare organizations. Its purpose is to provide a single consolidated form for use by applicants for participation as a provider (hereinafter, "Participation") with health plans or health insurers and may be used for hospital and other healthcare organization medical staff membership and clinical privileges (hereinafter, sometimes, "Membership"). This form, once properly completed will be accepted by all Nevada health plans and health insurers and may be accepted by hospitals and other healthcare organizations (hereinafter, collectively referred to as "Entities").

Acknowledgements and Agreements with respect to Health Plans and Health Insurers

I understand and agree that, as part of the credentialing application process for Participation at or with each health plan or health insurer and any of their affiliated Entities, I am required to provide sufficient and accurate information for a proper evaluation of my current licensure, relevant training and/or experience, clinical competence, health status, character, ethics, and any other criteria used by them for determining initial and ongoing eligibility for Participation.

Acknowledgements and Agreements with respect to Healthcare Organizations

By filing this application, I agree to be bound by the bylaws, rules and regulations, policies, and code of conduct of each and every medical center, medical staff and other healthcare organizations to which I am applying in Nevada. I understand that I have an opportunity to review those bylaws, rules and regulations and policies.

I understand that it is my responsibility to assure that a copy of this application is sent to each and every healthcare organization to which I wish to apply.

I understand that my misrepresentation or significant omission in this application constitutes cause for denial or for subsequent revocation of membership and privileges. I also understand that I have an opportunity to review the information submitted in support of this application pursuant to each entity's policy regarding review. If during the process of credentialing, an entity receives information that varies substantially from information I have provided, I will be notified of this and will have an opportunity to correct erroneous information. I have the right, upon request, to be informed of the status of my application.

I recognize that as the applicant I bear the burden of demonstrating that I am qualified and remain qualified for the award of membership and privileges in accord with the criteria and standards described in the applicable bylaws and comparable documents, and I recognize that I have the burden of resolving any reasonable doubts about my qualifications for membership and privileges.

In order to facilitate the evaluation of this application and the assessment of any subsequent exercise of privileges, I agree to meet and cooperate with the various officers, representatives and committees charged with responsibility for credentialing and peer review activities.

I understand that the evaluation of credentials shall be accomplished in a professional manner, and that I will be afforded an appropriate review in the event that action on this application is adverse in accordance with the bylaws or rules pertaining to each organization.

As part of this application, I pledge that if I am granted the requested membership and privileges, I will maintain an ethical practice in accord with applicable bylaws, and specifically that I will: a) Refrain from fee splitting or other inducements relating to patient referral; b) Provide for the continuous care and

supervision of my patients; c) Refrain from delegating the responsibility for diagnosis or care of hospitalized patients to a medical practitioner who is not qualified to undertake this responsibility and who is not adequately supervised; d) Seek consultations whenever necessary or requested by the patient or family; e) Abide by all applicable and generally recognized ethical principles applicable to my profession and to each and every healthcare entity to which I am applying; and f) Maintain the confidentiality of patient information received by both paper and electronic means.

I acknowledge: a) that I have the right to revoke the authorization as it relates to protected health information and/or other confidential medical information at any time, and b) that I understand that once protected information is disclosed, it may no longer be protected by federal privacy law. I may revoke this authorization in this regard only in a writing sent by certified mail to the organization to which I originally furnished this Statement. The revocation will be effective only upon receipt.

Release from Liability

I release from all liability and hold harmless any Entity, its Agent(s), and any other third party for their acts performed in good faith and without malice unless such acts are due to the gross negligence or willful misconduct of the Entity, its Agent(s), or other third party in connection with the gathering, release and exchange of, and reliance upon, information used in accordance with this Authorization, Attestation and Release. I further agree not to sue any Entity, any Agent(s), or any other third party for their acts, defamation or any other claims based on statements made in good faith and without malice or misconduct of such Entity, Agent(s) or third party in connection with the credentialing process. This release shall be in addition to, and in no way shall limit any other applicable immunities provided by law for peer review and credentialing activities.

I fully release from liability any person or entity, including any and all representatives of the Entities and any representative, agent or component thereof, that requests or provides information in connection with the evaluation of my application, credentials and practice, to the fullest extent allowed by applicable statutes, regulations and judicial decisions. Moreover, I fully release from liability the participating Entities to which I am applying and any Agent or component thereof, and all other persons or Entities

participating in the evaluation of my credentials and practice from any and all liability for their actions and decisions, to the fullest extent allowed by applicable statutes, regulations and judicial decisions.

In this Authorization, Attestation and Release, all references to the Entity, its Agent(s), and/or other third party include their respective employees, directors, officers, advisors, counsel, and agents. The Entity or any of its affiliates or agents retains the right to allow access to the application information for purposes of a credentialing audit to customers and/or their auditors to the extent required in connection with an audit of the credentialing processes and provided that the customer and/or their auditor executes an appropriate confidentiality agreement. Except with respect to its application to protected health information or other confidential medical information, I understand and agree that this Authorization, Attestation and Release is irrevocable for any period during which I am an applicant for Membership or Participation at an Entity, a member of an Entity's medical or health care staff, or a participating provider of an Entity. I agree to execute another form of consent if law or regulation limits the application of this irrevocable authorization. With respect to protected health information or other confidential medical information, this Authorization may be revoked and provided above. However, I understand that my revocation of this Authorization with respect to protected health information or other confidential medical information or my failure to promptly provide another consent with respect to any other information may be grounds for termination or discipline by the Entity in accordance with the applicable bylaws, rules, and regulations, and requirements of the Entity, or grounds for my termination of Membership or Participation at or with the Entity and will result in the cessation of any action on my application for Membership or Participation. I agree that information obtained in accordance with the provisions of this Authorization, Attestation and Release is not and will not be a violation of my privacy.

I certify that all information provided by me in my application is true, correct, and complete to the best of my knowledge and belief, and that I will notify the Entity and/or its Agent(s) within 10 days of any material changes to the information I have provided in my application or authorized to be released pursuant to the credentialing process. I understand that corrections to the application are permitted at any time prior to a determination of Membership or Participation by the Entity, and must be submitted on-line or in writing, and must be dated and signed by me (may be a written or an electronic signature). I understand and agree that any material misstatement or omission, as determined solely by the Entity, in my application may constitute grounds for withdrawal of the application from consideration; denial or revocation of Membership or Participation; and/or immediate suspension or termination of Membership or Participation and will result in the cessation of any action on my application for Membership or Participation. This action may be disclosed to the Entity and/or its Agent(s).
